Dear Lottery Retailers:

May is here and that means summer will soon be upon us. As temperatures rise and yellow pollen dances gracefully with the breeze, students are beginning to look forward to a much deserved summer vacation. It is for these students that the South Carolina Education Lottery (SCEL) exists. Because of your dedication, SCEL's net proceeds provide financial support to students of all ages.

This month SCEL is launching an exciting promotion for our players - the Jeep® Summer Promotion. Players who purchase the new Jeep® ticket have a chance to win instantly up to \$100,000 or a Jeep® Wrangler Unlimited Rubicon vehicle. The second-chance promotion offers your customers the chance to win a Jeep® Wrangler Unlimited Rubicon vehicle prize valued at more than \$56,000, a Jeep® merchandise prize pack, or \$100,000! These exciting prizes will be awarded in second-chance drawings held throughout the summer. As you can see, the months of May, June, July and August are sure to be hot and full of prize-winning opportunities for your players!

During May, I hope all our retail partners have an opportunity to enjoy the pleasant weather and sunny skies of South Carolina. You are among the hardest working people I know. The students of South Carolina are grateful for the educational funding you help to provide.

I hope I will have the opportunity to visit with you over the summer. In the meantime, be safe and enjoy the spring and summer only experienced in South Carolina.

Happy Spring!

RETAILER SPOTLIGHT

JAKOB FOOD MART Clover, SC

By Monica Moreira, Upstate MSR

A successful lottery location since the beginning in 2002, **Jakob Food Mart** in **Clover** has been under new ownership since the end of last year. Neil Patel came to South Carolina from Georgia with the goal to be the #1 lottery retailer in Clover! He did it!

"We needed to find a way to do more than just sell lottery tickets," said Patel. "We needed to create not just a destination, but a distinction that set us apart."

His secrets to success: a big smile, great customer service, willingness to listen and support from his "Crew."

Patel states lottery sales have also improved because he explains how to play the Lottery's games. Lottery customers are also informed that their lottery purchase supports education in South Carolina. Players want to know where the lottery money goes. The Crew at **Jakob Food Mart** does a great job sharing the beneficiary message.

Lots of outside signage, full dispensers, updated jackpot signs, Customer Appreciation

Owner Neil Patel and assistant Lewis Burris have made **Jakob Food Mart** the #1 lottery retailer in Clover. They let customers know their lottery purchase supports education.

promotions and a lot of hard work went into reaching the top sales spot.

As a result, **Jakob Food Mart** has earned the position of the #1 lottery retailer in Clover, and with each sale is giving back to this small town full of families with students benefiting from lottery proceeds.

Jakob Food Mart is a shining example to retailers throughout the state of what can be accomplished through simple, yet effective, practices like those implemented by Patel and his Crew.

“When I was told I won the grand prize, I wasn’t sure if it was cash or a Camaro®,” Senn said.

Senn is pleased with the cash.

Not only is he going to use the money to complete the home he designed and built from the ground up, he is looking forward to experiencing life debt free.

“I’ve never been able to get one step ahead until now,” he shared.
